My Burden

👁 22 ✓ 0 ⭐ 4

Chapter 1 by Sophie

There has been something I have hid my whole entire life... or at least I tried to. I have many emotions...sadness, anger, joy... but I hate people actually knowing what i'm feeling. This isn't a common problem people have, but for me, it is.

It might sound strange and ridiculous what I am about to say, but I have color changing eyes. I have been home schooled my whole life, but know that I am fifteen, I have to go to my first year of high school. I have heard that Kids can be very cruel at school, not even knowing anything they say. I just hope it is not to obvious that my eyes change color to my emotion. Some may think it is a gift, but to me...

It's my burden.
